## HOUSE OF REPRESENTATIVES

**Speaker Allan G. Bense**

### Agriculture Committee

**Start Date and Time:** Wednesday, February 22, 2006 01:30 pm

**End Date and Time:** Wednesday, February 22, 2006 04:30 pm

**Location:** 214 Capitol

**Duration:** 3.00 hrs

#### Consideration of the following bill(s):

HB 507 Exemptions from the Tax on Sales, Use, and Other Transactions by Kreegel

HB 641 Animal Service Providers by Russell

#### Consideration of the following proposed committee bill(s):

PCB AG 06-01 -- Department of Agriculture and Consumer Services

Interim project presentations:

Aerial Fire Suppression

Review of Florida Agricultural Best Management Practices (BMPs)

Burn Authorization Process, Florida Department of Agriculture & Consumer Services' Division of Forestry

**NOTICE FINALIZED on 02/10/2006 14:45 by SIMS-DAVIS.LINDA**

1 Council/Committee hearing bill: Agriculture

2 Representative Kreegel offered the following:

3  
4 **Amendment (with title amendment)**

5 Remove everything after the enacting clause and insert:

6 Section 1. Paragraph (a) of subsection (5) of section  
7 212.08, Florida Statutes, is amended to read:

8 212.08 Sales, rental, use, consumption, distribution, and  
9 storage tax; specified exemptions.--The sale at retail, the  
10 rental, the use, the consumption, the distribution, and the  
11 storage to be used or consumed in this state of the following  
12 are hereby specifically exempt from the tax imposed by this  
13 chapter.

14 (5) EXEMPTIONS; ACCOUNT OF USE.--

15 (a) Items in agricultural use and certain nets.--There are  
16 exempt from the tax imposed by this chapter nets designed and  
17 used exclusively by commercial fisheries; disinfectants,  
18 fertilizers, insecticides, pesticides, herbicides, fungicides,  
19 and weed killers used for application on crops or groves,  
20 including commercial nurseries and home vegetable gardens, used  
21 in dairy barns or on poultry farms for the purpose of protecting  
22 poultry or livestock, or used directly on poultry or livestock;

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

portable containers or movable receptacles in which portable containers are placed, used for processing farm products; field and garden seeds, including flower seeds; nursery stock, seedlings, cuttings, or other propagative material purchased for growing stock; seeds, seedlings, cuttings, and plants used to produce food for human consumption; cloth, plastic, and other similar materials used for shade, mulch, or protection from frost or insects on a farm; ~~generators used on poultry farms,~~ and low-volume or micro-irrigation equipment or components as defined in s. 212.02(33), used in agricultural production ~~liquefied petroleum gas or other fuel used to heat a structure in which started pullets or broilers are raised;~~ however, such exemption shall not be allowed unless the purchaser or lessee signs a certificate stating that the item to be exempted is for the exclusive use designated herein. Also exempt are cellophane wrappers, glue for tin and glass (apiarists), mailing cases for honey, shipping cases, window cartons, and baling wire and twine used for baling hay, when used by a farmer to contain, produce, or process an agricultural commodity.

Section 2. Subsection (33) is added to section 212.02, Florida Statutes, to read:

212.02 Definitions.--The following terms and phrases when used in this chapter have the meanings ascribed to them in this section, except where the context clearly indicates a different meaning:

(33) "Low-volume or micro-irrigation" means the frequent application of small quantities of water directly on or below the soil surface, usually as discrete drops, tiny streams, or miniature sprays through emitters placed along the water delivery pipes. Low volume and micro-irrigation systems are designed to deliver water at a rate of 45 gallons per hour or

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

54 less per exit point. The physical components required to apply  
55 water by micro-irrigation include all equipment and system  
56 components necessary to transport water from the pump or pumping  
57 station to the crop through the low-volume or micro-irrigation  
58 system. System components include pumps, pumping stations,  
59 control stations, filtration equipment pressure regulators,  
60 pipng, tubing, emitters, valves, fittings, gauges, sensors,  
61 sprinklers, and safety devices.

62 Section 3. This act shall take effect upon becoming a law.

63  
64 ===== T I T L E A M E N D M E N T =====

65 Remove the entire title and insert:  
66 amending s. 212.08, F.S.; including in the exemption for items  
67 in agricultural use certain agricultural or farm equipment used  
68 for low-volume or micro-irrigation; amending s. 212.02, F.S.;  
69 providing a definition for low-volume or micro-irrigation;  
70 providing an effective date.

2 Representative Poppell offered the following:

4 **Amendment**

5 Remove everything after the enacting and insert:

6 Section 1. Subsection (5) is amended and subsection (9) is  
7 created in section 474.203, Florida Statutes, to read:

8 474.203 Exemptions.--This chapter shall not apply to:

9 (5) Any person, ~~or~~ the person's regular or temporary  
10 employee, or independent contractor administering to the ills,  
11 ~~or~~ injuries, wellness, or normally accepted animal husbandry  
12 practices of her or his own animals, including, but not limited  
13 to, castration, spaying, farriery, non-mechanical hand floating  
14 of teeth, debeaking, parasite control and dehorning of herd,  
15 livestock or flock animals, unless title has been transferred or  
16 employment provided for the purpose of circumventing this law.  
17 This exemption shall not apply to out-of-state veterinarians  
18 practicing temporarily in the state. However, only a  
19 veterinarian may immunize or treat an animal for diseases which  
20 are communicable to humans and which are of public health  
21 significance.

000000

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. 1

22       (9) (a) An independent contractor who, under the supervision  
23 of a person who is administering to the wellness, ills or  
24 injuries of his or her own livestock, herd, or flock animals,  
25 provides any of the following health care services to such  
26 animals: acupressure, aromatherapy, animal communication,  
27 farriery, flower essence therapy, homeopathy, light therapy,  
28 magnet therapy, massage or other touch therapies, hydrotherapy,  
29 nutritional counseling and manual equine teeth floating. For  
30 purposes of this subsection, the above described services are  
31 nonmedical, which means non-prescription and non-surgical.

32       (b) An independent contractor who provides nonmedical  
33 health care services described in this subsection for livestock,  
34 herd, or flock animals and is not a veterinarian shall:

- 35       1. Obtain an occupational license.
- 36       2. Advise each owner of an animal that will be treated of  
37 her or his knowledge or experience with the services that will  
38 be provided.
- 39       3. Provide her or his credentials upon the request of  
40 each owner of an animal that will be treated.
- 41       4. Not engage in animal cruelty.
- 42       5. Not advertise in any way that implies that she or he  
43 is a veterinarian.
- 44       6. Not diagnose or prognosticate.

45  
46 For the purposes of chapters 465 and 893, persons exempt  
47 pursuant to subsection (1), subsection (2), or subsection (4)  
48 are deemed to be duly licensed practitioners authorized by the  
49 laws of this state to prescribe drugs or medicinal supplies.

Committee hearing bill: Agriculture

Representative Poppell offered the following:

**Amendment (with title amendment)**

Between lines 185-186, insert:

Section 7. Section 570.954, Florida Statutes, is created  
to read:

570.954 Farm to Fuel.--

(1) Short title.-- This section may be cited as the "Florida  
Farm to Fuel Act."

(2) Legislative findings and intent.--The Legislature finds  
that:

(a) Utilization of Florida crops and biomass for production  
of bioenergy is important for the state's future energy  
stability, protection of its environment and continued viability  
of the state's agriculture industry.

(b) The development of bioenergy will help to reduce demand  
for foreign fuels, reduce pollution, and promote economic  
growth.

(c) There is a need to assist in the production and  
distribution of bioenergy.

000000

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

22 (d) The state is ideally positioned to produce bioenergy  
23 due to its vast amount of farm acreage and mild climate, which  
24 permits crops to be grown virtually year round, and availability  
25 of other biomass.

26 (3) Purpose.--This act is intended to provide grants to:

27 (a) Stimulate capital investment in the state and to  
28 enhance the market for and promote the production and  
29 distribution of bioenergy.

30 (b) Advance the already growing establishment of bioenergy  
31 technologies in the state and attract additional bioenergy  
32 production in the state.

33 (c) Demonstrate technologies or processes that convert  
34 Florida grown crops, agricultural wastes and residues, or other  
35 biomass into bioenergy.

36 (4) Definitions.--As used in this act, the term:

37 (a) "Act" means the Florida Farm to Fuel Act.

38 (b) "Biomass" means a power source that is comprised of,  
39 but not limited to, combustible residues or gases from forest  
40 products manufacturing, agricultural and orchard crops, waste  
41 products from livestock and poultry operations and food  
42 processing, urban wood waste, municipal solid waste, municipal  
43 liquid waste treatment operations, and landfill gas.

44 (c) "Department" means the Department of Agriculture and  
45 Consumer Services.

46 (d) "Person" means an individual, partnership, joint  
47 venture, private or public corporation, association, firm,  
48 public service company, or any other entity, public or private,  
49 however organized.

50 (5) Farm to Fuel Grants Program.--

000000

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

51 (a) The Farm to Fuel Grants Program is established within  
52 the department to provide grants for research, development and  
53 demonstration of commercial applications of bioenergy  
54 technology.

55 (b) Grants for bioenergy projects may be made to any person  
56 based on the criteria in this section.

57 (c) Factors the department may consider in awarding grants  
58 include, but are not limited to:

59 1. The degree to which the project stimulates in-state  
60 capital investment and economic development in metropolitan and  
61 rural areas, including the creation of jobs and the future  
62 development of a commercial market for bioenergy;

63 2. The degree to which a project produces bioenergy from  
64 Florida-grown crops or biomass;

65 3. The degree to which a project demonstrates efficient  
66 use of energy and material resources;

67 4. The degree to which the project fosters overall  
68 understanding and appreciation of bioenergy technologies;

69 5. The availability of matching funds and in-kind  
70 contributions from an applicant;

71 6. Project duration and timeline for expenditures;

72 7. The project has a reasonable assurance of enhancing the  
73 value of agricultural products or will expand agribusiness in  
74 Florida; and,

75 8. Preliminary market and feasibility research has been  
76 conducted by the applicant or others and there is a reasonable  
77 assurance of a potential market.

78 (6) Florida Farm to Fuel Advisory Council.--

000000

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

79 (a) The Commissioner of Agriculture and Consumer Services  
80 may appoint a Florida Farm to Fuel Advisory Council pursuant to  
81 s. 570.0705.

82 (b) The council shall provide advice and counsel to the  
83 Commissioner of Agriculture and Consumer Services on the  
84 production of bioenergy in the state.

85 (c) The council shall be comprised of a diverse group of  
86 stakeholders, including the agriculture industry, researchers,  
87 fuel suppliers, technology manufacturers, environmental  
88 interests and others.

89 (7) The department may adopt rules pursuant to ss. 120.536  
90 and 120.54 to implement the provisions of this section.

91 Section 8. Farm to Fuel production tax credit.--

92 (1) TAX CREDIT.--For tax years beginning on or after  
93 January 1, 2007, a credit against the tax imposed by Chapter 220  
94 shall be granted in an amount to be determined as follows:

95 (a) A taxpayer that produces ethanol at a facility located  
96 in Florida is entitled to a credit against the taxpayer's state  
97 tax liability equal to the product of twenty cents (\$.20)  
98 multiplied by the number of gallons of ethanol produced at the  
99 facility using Florida grown commodities.

100 (b) A taxpayer that produces biodiesel at a facility  
101 located in Florida is entitled to a credit against the  
102 taxpayer's state tax liability equal to the product of twenty  
103 cents (\$.20) multiplied by the number of gallons of biodiesel  
104 produced at the facility using Florida grown commodities.

105 (2) RULES.--The Department of Revenue shall have the  
106 authority to adopt rules relating to the forms required to claim  
107 a tax credit under this section, the requirements and basis for

000000

HOUSE AMENDMENT FOR COUNCIL/COMMITTEE PURPOSES

Amendment No. (for drafter's use only)

108 establishing an entitlement to a credit, and the examination and  
109 audit procedures required to administer this section.

110 (3) REPEAL.--The provisions of this section are repealed  
111 on July 1, 2010.

114 ===== T I T L E A M E N D M E N T =====

115 Remove line 21 and insert:

116 accordingly; creating s. 570.954, F.S.; creating the "Florida  
117 Farm to Fuel Act"; providing legislative findings and intent;  
118 providing a purpose; providing definitions; establishing a grant  
119 program within the Department of Agriculture and Consumer
